

BECOME AN AFFILIATE MEMBER OF CHIMA TODAY!

Be connected with CHIMA, an organization that represents leadership and excellence in health information management through the Affiliate Membership Program.

The Affiliate Membership Program welcomes any individual interested in health information management and/or the HIM profession.

DID YOU KNOW THAT CHIMA ...

- is the acronym for the Canadian Health Information Management Association
- serves over 5,000 members nationwide (approx. 4,300 are certified HIM professionals)
- is Canada's only certifying body for Health Information Management (HIM®) professionals and accredits the academic centers that offer the HIM programs
- certified HIM professionals are experts in the lifecycle and management of the health record/information (paper, hybrid, electronic)
- has 4 domains of practice that include; Data Quality, eHIM, Privacy, and HIM Standards
- is a National Association with Chapters representing all Provinces/Territories. Members of CHIMA are automatically assigned to one of the geographic Chapters.

ENJOY THE FOLLOWING EXCLUSIVE BENEFITS OF MEMBERSHIP:

- Learn and keep apprised about the HIM profession and industry
- Leverage access to all exclusive member benefits to support your personal and professional development and knowledge
 - › Professional Practice Briefs - FREE to members only!
 - › Members only access on the CHIMA website
